### **COUNTY PARKS AND RECREATION COMMISSION AGENDA ITEM TRANSMITTAL**

**TO:** Parks and Recreation Commission

**FROM:** General Services Agency / Parks

**SUBJECT:** Create the Parks and Recreation Commission's 2011-2013 report to the Board of Supervisors

**DATE:** 12/12/2013

**Recommendations:**

It is recommended that the Commission consider the sub-committee's first draft of the Parks and Recreation Commission 2011-2013 report to the Board of Supervisors and provide comments and input for the sub-committee's further work on the project.

**Discussion:**

Each year the Parks & Recreation Commission is tasked with providing a report to the Board of Supervisors regarding the accomplishments and goals for the coming year. The most recent report provided to the Board was in February 2010.

Therefore, a sub-committee consisting of Chair O'Henley and First District Commissioner Gonzales has been tasked with the duty of preparing a report to the Board that will cover the accomplishments and goals for the time period of 2011 through 2013. The first draft of that report will be available by e-mail or hard copy to Commissioners for comment and input in December 2013. Commissioners are encouraged to provide feedback as well as list specific goals that they believe to be of highest priority for completion in the coming year(s).

**Other Agency Involvement:**

No other agencies have been involved with this report.

**Financial Considerations:**

There is no financial impact to providing this report. However, costs may be incurred as staff pursues Commission's goals in the coming year(s).
